RE: Purchase of used vehicles for Police Operations

Ladies and Gentlemen:

The City of Fort Wayne respectfully requests "Prior Approval" for the purchase of used vehicles for the Police Department. We originally bid this out with no response being received back. Under State Statute No. 36-1-9-3, the purchasing agent may then purchase or lease the item on the open market. The Police Department is currently looking at various car lots for the vehicles needed. However, the car dealers will not hold the vehicles long enough to go through the four (4) to five (5) week waiting period for Council. Prior approval will allow for the Police to purchase the vehicles needed and within a reasonable time. These purchases are not to exceed \$120,140.00 as approved in the 1996 budget and lease. The City will issue purchase orders upon Councilmanic Approval.
